"The loveliest things you ever saw" is the verdict of Stylish Ladies who visit here from large cities regarding

The above are a few representations of misfitting Spectacles, which injure the eyes, and are not the only defects which a sensitive optician finds in the lenses of the Spectacles and Eye Glasses worn to-day, for the eye-

"Would you tell me, sis, what is the matter?"

"Laywater, madam," was the courteous reply.

"Then would you mind, sis, when we arrive, opening the door and helping me to get out?"

"With pleasure," was the cordial answer.

He endeavors to tell honestly what Hood's Serrapapilla is and what it will do, but what it has done is far more important and far more potent. His unqualified record of cures is sure to convince those who have never tried Hood's Serrapapilla that it is an excellent medicine.
